### TARA A. PAUL

#### RE-RECORDING MIXER

Tara A. Paul is a Re-Recording Mixer with extensive experience in television and feature film mixing, and a thorough background in digital sound editorial. She is accomplished in both traditional mixing techniques and leading-edge digital technologies. A CAS winner and a four-time Emmy winner, she collaboratively approaches every project with a combination of the technical expertise and the aesthetic understanding necessary to help each filmmaker bring her creative vision to life.
